## THE CAUCUS THAT FAILED.

The men who insisted on holding Democratic House caucus at Washing ton yesterday found themselves in a most uncomfortable position when the ssemblage had been called to order. ## " ROOTERS " AND " ROOTE."

Our two United States Senators were t the baseball game in Washington esterday and saw the Glants wallop the local nine. The Senators "rooted" for New York, the despatches tell us. and Mr. Hill, in a sententious no-daggerup-his-sleeve way, characterized work of the Giants as "pennant ballplaying.
